

The diagram illustrates the number 25 using rectangular blocks arranged in three rows:

- Row 1:** Two groups of ten blocks each, totaling 20 blocks.
- Row 2:** One group of ten blocks and one group of five blocks, totaling 15 blocks.
- Row 3:** One group of ten blocks and one group of five blocks, totaling 15 blocks.

Together, these rows represent the sum of 20 + 15 + 15 = 50 blocks, which corresponds to the number 25 (since each block represents 2 units).
